

## SPONSORSHIP OPPORTUNITIES

Partnering with Canterbury Shaker Village aligns your organization with a National Historic Landmark that welcomes thousands of visitors annually. While advancing your company's philanthropic commitments, your investment helps to preserve 26 historic buildings, care for over 100,000 items in our museum collections, maintain 694 acres in conservation, and share Shaker history and values.

Investors are recognized as Village Sponsors for one year and can select an event in which to receive additional special recognition.
